

Eligibility Update for the 2025 KGL Contest

We are pleased to announce that participants who did not advance to Stage 2 in the 2024 KGL contest are now eligible to retake the same level in the 2025 contest, provided they do not exceed the maximum age for their level. This adjustment recognizes that students may not always progress to a higher level within a single academic year. It offers participants an additional chance to demonstrate their abilities and achieve success at their current level.

The table below outlines the eligibility for each language level in the KGL contest.

| Age | Eligibility Pre-A1 | Eligibility A1 | Eligibility A2 | Eligibility B1 | Eligibility B2 |
|-------|-----------------------|-------------------|-------------------|-------------------|-------------------|
| 9-11 | YES | YES | YES | YES | YES |
| 12-13 | NO | YES | YES | YES | YES |
| 14 | NO | NO | YES | YES | YES |
| 15 | NO | NO | NO | YES | YES |

Please note that participants who do not meet the entry requirements will not be invited to attend the Global Event. Participants must register at their current level.
